Mr. Anthony Rapolla  
Principal

Mr. Jay Medlin  
Vice Principal

11/17/09

Dear Parents,

Our long awaited roofing project is set to begin. Unfortunately, it will require kindergarten, first grade and second grade to enter and dismiss through the Keyport Central School doors on Broad Street. Various doors throughout the building will not be accessible during the roofing project. I apologize for any inconvenience this may cause. This is being done for safety reasons. Please call the office with any questions you may have.

Sincerely,

Anthony Rapolla  
Principal
